Additional Events

Event one: The Ft McDowell Casino will be providing a complementary one-hour seminar on "how to play the various Casino games." This session will take place on Friday from 9-10AM at the Ft McDowell Casino which is a short walk from the hotel. Meet in the hotel lobby at 8:45AM and you will be escorted to the casino. If you prefer to meet at the casino, please meet in the Poker Room. This is only training on how to play blackjack, craps, poker etc. You will **not** be gambling or using real money. If you occasionally go to the casinos, it can be useful to have a quick refresher on "how to win" at their games.

Event Two: Round out your Saturday afternoon from 3:00 PM to 4:00 PM on how to make sure you know how to identify a legitimate car before you buy! Two detectives from the Arizona Vehicle Theft Task Force will present a seminar on their role and responsibilities in making sure legitimate cars are being sold in AZ. They may have some interesting "war stories".

Please RSVP Charlene Eastwood (eastwoodcd@cox.net) if you plan to attend any or all of these activities.
