Tom Barr

For the members that were unable to make the Christmas Party this year you missed a fine event. John Randolph put the party together at the Phoenix Country Club and the food and facilities were wonderful. At the party we had a short membership meeting and reported the state of the Chapter. I am happy to report we are now over 170 members and are financially sound. I also presented three NCRS Support Award pins; this award recognizes member's exceptional efforts, help and support. Their efforts deserve special recognition. These members were Pete Bergmann, Gary Grammond, and Jan Cockrum. Thank you to these special members, they have helped our chapter grow. Next year's party will be at the Holiday Inn in Tucson the site of our March 2012 Regional.

Our Board is trying to bring the best possible events and more of them to our chapter; any help is greatly appreciated as well as ideas. Contact any of the Board with your ideas.

We are a year away from hosting our Regional Judged Meet. Here again we need your help and support. Contact me or any board members with your ideas and if you would like to volunteer your help. We have many different backgrounds and if we put them all together I am confident we can make this a memorable event. We will have members coming in from all over the country and we will have many activities for all.

To all, have a Happy New Year and please make our next event. Visit our web site for all times and updates, not only for our Chapter but also for other local and national events.

'And I Helped'

Cathy Bergmann

Four years ago, I encouraged Pete to 'stop talking' about wanting to restore a Corvette and just 'do it'! I'll never forget the smile on his face that January day when he brought the 87 home.

The 87 began my journey as 'apprentice'. I best be careful of telling too many stories of my apprenticeship – starting with mufflers and moving into such tasks as helping with the 71 engine drop, lest I be 'hired' full time.

As kids growing up, Shake 'n Bake had a commercial with a young child in the kitchen with her mom. When the dinner was served; she proudly proclaimed "...And I helped!"

As the 'Gator' comes to completion (the 71 Green Corvette) and we are celebrating in the journey of total restoration; I'm glad I can make the Shake 'n Bake proclamation and maybe even point out where I helped!
