

ARIZONA NCRS Judging School

Introduction to NCRS Flight Judging

****One Judging Point awarded for this event ****

ALL Members Welcome!

Saturday, Feb 16, 2019

Van Chevrolet Meeting Room
8585 E Frank Lloyd Wright Blvd
Scottsdale, AZ 85260
480.696.5884

Agenda	9am - 9:30	Coffee & Donuts
		Chapter Meeting
	9:30 - 11	Judging School

With the number of new members joining (or re-joining) our chapter, we thought we would take a quick review of the entire NCRS judging process – the CDCIF Matrix scoring system, standard deductions, awards, and some of the tools needed to reach these desired levels of recognition. This review will be useful for everyone. Remember to bring your cheat sheets so you can follow along easier. So come on out to Van's Chevrolet for the coffee, donuts, and friends and learn something about the NCRS Judging process that we use on our favorite cars! This should be quite interesting.

For "donut planning purposes", please RSVP to Dave Talley (dnt767@gmail.com) by [February 14th](#) if you are planning to attend.

Direction to Van Chevrolet: From the Loop101 Highway, exit at Frank Lloyd Wright and head west to N Hayden Rd, and make a left. Dealership is on the right. **Our session will be held in Van's Conference Room. Go through the front door and head towards the back of the dealership. Please park in the rear! Do not park in front of Van Chevrolet as the General Manager requested that area be kept for customers and we want to be good reponsible users of this facility.**
