

2023 January AZ NCRS “Bowtie” Judging School

We held our first event of the year, a judging school, on Saturday, January 14. The topic was Star/Bowtie Judging, and Gary Craig, with assistance from Kevin DeWitte, guided the group through the process of preparing a car, obtaining the required prerequisite judging and recommendation, reviewing the Star/Bowtie judging objectives, and concluded with the group looking over two cars on lifts. Our thanks to Kevin for hosting the event, and to Gary in leading us through the discussion.
